

# Agreement between Buyer and Seller

1. This kitten is being sold as PET ONLY.
2. The buyer, at their expense, agrees to have the kitten examined by a licensed veterinarian within 72 hours of obtaining the kitten. All vet expenses, including those from my personal vet, incurred will be at the buyer's expense. Under NO circumstances shall the seller be responsible for any expense of medical treatment the kitten may incur AFTER it has left the cattery.

3. **THIS KITTEN MUST BE SPAYED/NEUTERED BY THE TIME THE KITTEN IS SIX (6) MONTHS OF AGE**

**Buyer agrees to provide documentation from a licensed veterinarian illustrating proof of the alteration of the kitten. At that time, and only at that time, will the seller send out the registration papers for the kitten.**

4. If the kitten should die before the age of two (2) years, **DUE TO A GENETIC DEFECT**, the seller will replace the kitten with first acceptable kitten (if the breeder is still breeding). The owner **MUST** provide a necropsy report, which verifies the death was due to a **GENETIC** issue and not that of an illness or injury the kitten might have acquired in the buyers care. The necropsy **MUST** be performed at an independent facility, not by your veterinarian or his/her affiliates. Buyer is responsible for all charges incurred with said necropsy.
5. I give two series of vaccinations for each kitten (at 9 weeks of age and 12 weeks of age). They are given a three-way vaccine for upper respiratory protection. It provides protection against feline Rhinotracheitis (modified live), Calici (modified live), and Panleukopenia (killed virus). When the kitten goes to his/her forever home at 12 weeks or older, the kitten has had all of its kitten vaccines. Worming are given at 9 weeks, and 12 weeks. If you wish to give your kitten the Leukemia or FIP vaccines, we ask that you wait until the kitten is at least six (6) months of age, this is due to their slow maturing immune system and is found to be a much safer age. We do not recommend the FIP vaccine.

**PLEASE NOTE THAT IF YOUR VET CHOOSES TO NOT RECOGNIZE MY VACCINES THAT ARE ALREADY GIVEN AND REQUIRES MORE SERIES OF KITTEN VACCINES, AND YOU CHOOSE TO PROCEED WITH ADDITIONAL KITTEN VACCINES, YOU ARE VOIDING THIS CONTRACT IN WHOLE. UNDER NO CIRCUMSTANCE WILL THE SELLER BE HELD RESPONSIBLE TO UP HOLD ANY OF THIS CONTRACT IF MORE KITTEN VACCINES ARE GIVEN.**
